COMPANY PROFILE

SAFETY SHOE MANUFACTURER

FACTORY STRENGTH

Located in Gaomi, the industrial belt of labor protection shoes in China. Relying on more than 30 years of shoe material experience from its parent company, Hengchang Leather, the production and sales of labor protection shoes began in 2017. There is currently one injection production line for labor protection shoes, two adhesive production lines, and one dual color injection sole production line. The factory covers an area of 5200 square meters, and the warehouse is stocked with 25 types (225 SKUs) of over 100,000 pairs of labor protection shoes, which can meet the requirements of cross-border customers for one shipment. The design team releases 2-3 new labor protection shoes per month on average, supporting OEM and ODM. Our main domestic sales platforms are Tmall, Taobao, Pinduoduo, and 1688, while our foreign sales platforms are Alibaba International.

OEM & ODM

- North America
- Southeast Asia
- Europe

We have deep cooperation with multiple labor protection shoe factories, and have a comprehensive understanding of their processing capabilities, delivery capabilities, and coordination and cooperation. This can effectively integrate labor protection shoe resources and control delivery cycles. It meets the needs of cross-border e-commerce sellers and factories in multiple aspects for bulk procurement. We welcome customers to come and negotiate.
